No.P-1101/001/2007-COP

Dated: 4/1/2010

**Office Memorandum**

Sub: On-line filing of RTR (A) applications-Revised form for submission.

It has been observed that candidates applying for RTR (A) examinations submit the on-line form incorrectly or incompletely with the result that difficulties are experienced by the Ministry while issuing Licenses to these candidates. With this point in consideration, a new proforma has been designed for the on-line submission of RTR (A) applications. All the applicants are therefore requested to file the new form (including those who already applied in the old form) before the hard copies are sent. The necessary instructions for filing are already available while opening the form. The form may be accessed at WPC home page at [www.wpc.dot.gov.in/Examinations/Apply for RTR\(A\) Examination](http://www.wpc.dot.gov.in/Examinations/Apply%20for%20RTR(A)%20Examination). The on-line filing would be allowed only upto the last date of filing application indicated in the COP circular No.P-11014/01/2002-COP dated: 29th December, 2009. (Available in this website elsewhere)

After filing the on-line form the acknowledgement may be printed and sent to the respective RLOs along with the filled in application (COP-1) and attested copies of certificates. It may be noted that incomplete and incorrect applications are liable to be rejected without assigning any reason.
